Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. Welcome to book 1 of the Good Mistress series of scenes! 'Can I go home now?' I thought to myself as I glanced across the table, barely glancing at my latest disaster in my attempt to find my new muse. Ian. Every woman's dream. Almost. 5'10," tan, built, brown hair and blue eyes and if I were to judge by the looks the waitress kept slipping him, attractive. I didn't see it because I didn't feel it. Nothing. No spark, no chemistry, no angels singing. Nothing. To understand where I am now, sitting next to quite possibly the most boring man I've ever met, I first need to tell what led me to this point. I am the Director of Security for a private medical corporation, and I do love to be in charge. So much so that the men I meet steer clear of me. I also have a seemingly permanently empty assistant's position that no-one seems to last more than 2 days in. Two birds, one stone. Time to think (and look) outside the box. My idea of an answer to my little problems? Place my own version of a 'help wanted' ad and then cross my fingers I find my new toy, I mean muse, to 'inspire' me to be more. creative. Really, is it so hard to find a guy who can talk about something other than himself, who does what he's told and does so with a smile? That is both responsive and docile? That actually understands that the role of an assistant is very close to that of a submissive/slave? That can keep up with me both inside and outside of these glass walls I work behind? Ian has not...
